In the High School 215 boys

Prof Bruce, the college Secretary, and myself, reside in the old buildings, the High School and the Faculty of Arts are in the new building called Burnside Hall. The Medical Faculty has another building in another place, and the Law faculty holds its meetings in the Court House.

I shall tell you some more in another letter, for the mean time my time is up and I close saying we are all well and

wish you all health and

happiness

Yours affectionately

W. H. Thayer

The children are writing letters
about their dollar but have not
time to finish
