Mr Webster

Dear Sir,

I have
sent from Halifax
10 copies ahead for today
for your subscribers,
for which when
paid you may
remitt to ^{Dr} Garrison
Peter, returning the
price of carriage of
your parcel.

Feb. 14. 1855

The specimens of
Glycymeris in your box
were very fine and
there are I think 3
species of corals
a number of Emeric
with shells and
some casts of shells
I fear too much
perfect to be de-
termined. They
have however some
as with my own

Halifax Feb. 4. 1850.

I should have sent the above sooner, but put it off til I came to town

Please write me if the enclosed order is answered - address N. P. P. and it will come free

I have the honor to be

Dear Sir

Your obedient humble servant
