New Glasgow 9 Apr 1856

Sir I received ~~the~~ your letter of the 2 of Apr<sup>r</sup> and I find that your terms about the farm is pretty hard, however I think we may ~~make a~~ come in to terms if you would lower the rent, I think the rent is rather high, I would be willing to give you 18 or 20 pounds a year, and I do not think that I could give more and to keep every thing in good order as you require it —

Please Sir write me as soon as you can  
I am

Dear Sir

yours Truly
