My dear Sir

Pardon us.

We are - We are far^d with you of 19th May which shall have our best attention - We regret much your former order is still in the House there having been no vessel from any port this side we could hear of - we are now advised of our firm d'pool a week or two hence by which the whole will be

Slipped - the 1/2 confession
is out of print - the only
one to be had is a much
better book about 1/2 part
by Johnston & Hunter of
which we will send 12 Dols
to order - respecting the
Russia deck, which appear
to have been ordered by
you when you meant
only the common replex
ultra - without wishing
to make any words about
matter trusting you are
satisfied the error was
not on our part we
will if you please submit

to half the loss by them
or if you ^{wrote} to Messrs. McAndrews
to enquire whether it is
probable they could sell
them to better adv^t it
might be well to send
them there, we only fear
that by returning them
here or elsewhere they
may get brooked about
reference incurred equal
to the whole affair - do
you best with them
we shall not dispute
about it yours truly
