My Dear Sir New Aug 2^d 1850

Regret the delay which has
occurred with the regard to the Books - I left
them with J R Blair Esq for distribution but
many of the parties not being called for them I
have been obliged to distribute and collect the
amounts personally - One still remains a-
hand as the subscriber lives at some distance
and though I have repeatedly requested him
to call for it he has not done so I enclose
an order for two pounds which with the four
pounds previously sent by Mr Mc Archibald amount
to £6.0.0 which is the sum I am de manded
by 16 copies at 7/6 - £6.0.0 Yours truly
C Blairhurd

Kind regards to you
son
