Mr<sup>s</sup> J. Cannon & Son  
Gent.

I return herewith the  
2 doz Books ~~that~~ sent in mistake for  
Geographical Primers. —

The last ones sent are  
a mixture some Geog. Primers  
and some before Book of Com.  
Things, all these I have kept.

Please to send me  
50 or 100 Geo. Primers if you  
can — it is necessary to look  
at each, as they are bound  
like the before Book. —

Yours truly  
Henry Sturges
