Mrs Dawson

Sister -

Dear Sir

I have great pleasure
in announcing ^{a grant of} 1000 French & 1000 Eng.
Tracts, according to your request, for the use of
the Loan Circulating Library.

I earnestly hope they may be the means
of extending the knowledge of true Religion, and
awakening a concern for eternal life, in
those who are now concerned only for temporal
good.

The £5 note will be placed to your Credit, & the
books have been sent as ordered.

Mr Tam still continues unable to discharge
official duties

Believe me
yours truly

George Henry Davis
