Gentlemen

Your card of  
the 16<sup>th</sup> inst. came to hand this  
morning we lost no time  
sending it and the inclosed bill  
of lading to the agents here of  
the Eagle. Who expressed regret  
that your Case of books had by  
some mistake layen over in  
their warehouse up to this time  
but that they would have it for-  
warded this day by the Piston  
packet. The missing nos of  
Labels have not yet come to hand

We also received yesterday  
your note of the 22<sup>nd</sup> ult. and

The four India leather Writing desks  
the very high price of which will  
I fear prevent their sale here we  
will advertise them and <sup>do</sup> best we  
can to make sale of them.

My son is on tour to  
visit the principal towns &  
places in Canada and the States  
and will return in a few weeks

We are respectfully yours
