Wm Cannon Esq
Victoria B.C.

Dear Sir -

We are far^d with you
of 23 Sept^r & regret to see the Complaints
of Complaints - to which we advert -
hail - There is not a bare beam, this
place with a driven nail in the lid
the Hooks are all fastened by screws
we can only imagine the injury to
come from the possibility of the Hooks
starting and nails being driven
into them or to what can you say
if the Cars have any appearance
of this, we can readily imagine the
Damage caused by it -

Impure Water - we are pleased to see your
remark about this, Our Reader has
put on an additional collar for the horse
You will not have further cause of
Complaint on that score or elsewhere
either, we are only sorry any thing

should have seemed to put you out
us for goods & for things by you
drawing our attention to it - and
our the acts for the Draft enclosed
h 22 -

Yours truly

Wm. B. Ewing
