

Mr Lawson

My dear Sir

I did intend calling  
on you before I left Peterborough, but  
my time was unavoidably so very  
limited that it was altogether  
impossible for me to do so.

Some time ago I wrote  
to Mr M'Gregor H'ce. the Surveyor  
Clerk to give you an order  
on the Treasurer Mr Pattison  
for £3 which was due me  
and I have always been  
under the impression that  
that you had received that  
amount. which according to  
account rendered by your  
son was the amount due  
you by me. The account which  
you sent me last summer  
is nine shillings more. If Mr  
M'Gregor has not given an order  
for the £3 of course I will  
pay it to Mr Haegera. You

Need not pay for the Magazine  
for one for another year. I can  
not afford it. The Books if you  
can dispose of them otherwise you  
need not keep for me. I can get  
them next summer.

I will write to Mr Mac  
Gyver this Post about the  
order and as soon as I  
hear from him I will pay  
you if the order is not further  
concerning.

Sincerely yours

Wm MacLeod  
L. J. O'Connell  
Peter M.
