Messrs. Dawson & Sons, Pictou N.S.

Dear Sirs

Your favor of the 25th Decr & 9th Inst
came duly to hand, the last covering B/R for fifty pounds,
which we have placed to your Cr, & for which accept
our best thanks. We will invoice the London Grey 8th
at 1/9 per Run, but at this price it is not worth doing,
unless you favor us with good order for other articles
which pay better. It still cost us more than it did
some years ago. The Royal 8th Bible, in enclosed list
are well worthy your attention, as also the other articles.
Please do your best for us as when you do so
than we can afford to make a little reduction.
You will find the German & U.S. papers much
inferior to British in point of hardnes. We would
like to see sample, of what you have been getting
with prices & weights.

The Grand Turk was obliged to put into St. Marks
& is discharging her cargo which however is little
damaged

Thanking you again for past favors & with best
respects

We are, yours Truly,

Pro Francis Orr & Sons,

Jas. B. Myer
