

Sir,

I have examined the Plans and Documents
in the hands of Mr Logan Dp Surveyor relating to the
Lands granted, as well to Mess^{rs} Cui, Byckwal & Cephas Wilton
as those granted to Mess^{rs} James Tate & Alex^r Lamb.
The former containing 1500 acs, the latter containing 400 acs
situate in the Township of Parrsboro, in the County of Cumberland -
The Lots granted to the Mess^{rs} Wiltons were surveyed
by James Lewis Esq and interfere with the Shore Lots
those Lots granted to Mess^{rs} Tate & Lamb, were surveyed by
My brother the late James Sinks Dp Surveyor and lay in the
rear of the Shore Lots -

These presents are therefore to certify that I
have known those Lots of Land for many years, that
I am well acquainted with the lines and bounds thereof,
That the two Grants or Tracts as Surveyors are distinct
and separate, and do not interfere with each other
in any point and that I am ready to point out
the lines and bounds of both grants, to any person who
may require my services, Amherst 25th Jan^y 1857

I am your obedient Servant

Thomas James B Umacke

Surveyor General

Levin Jenkins
