

Halifax 7th April 1854.

Messrs James Dawson & Co

Genl

I enclose you

Invoice. I have sent you

Carpenter with a lot of things from  
New Brunswick by land. I thought

it best to do so rather than

keep the package knocking

about the ship until the

vessel arrived. I will send

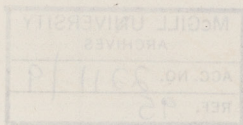

you expenses next time as there

is some little amt of average

on all of the vessels put into

St Thomas'

Yours  
Wm Grant
