Mr. James Cowson

Dear Sir —

I have with return  
you the samples of Books you  
was so kind as to send me. —

I have had a regular  
overcalling of my books respecting  
the mistake of 2 doz Starinians  
in account for 1852. —

I knew that 2 doz were  
owing for either to Mr Staszard  
or to you, and how the ones  
came into account for 1852  
is a mystery to me at present.

The 2 doz for 1855 were  
paid for to Mr Staszard June  
3<sup>rd</sup> '56 and when I called on  
you in the Fall I paid you  
again for the same, and  
unless some new light can

be produced I consider myself  
minus 90/- 1/4y received  
this year is correct. —

If convenient please  
to send me over 3 Chubs Belle  
Isle to Boston with sailing  
directions and if you have  
any General Chubs of the  
Gulf that are lower priced  
3 with directions. —

As we have no Steamer  
I am afraid I shall not have  
the pleasure of seeing you  
before you move away  
i.e. if you are leaving for  
Canada

I remain  
Dear Sir

Yours &c  
Henry Steamer
