

Wells Run

July 21/57 -

Dear Sir

I enclose 20/-
to balance a/c. I would have
handed it in when in Town
a few days ago but for
your intimation that it
would do "at any time" to
give it to Mr. Simpson.

As there was an item
in the former account you
sent me to Mr. W. and
as he has not according
to his usual custom
of any further order on
you I will thank you to
let me have an account
Mr. Simpson

of the two books value of
which you have now charged
It by any means you have
made a mistake and the
account refers to the same
books you can leave the of
with Miss W. P.

Wishing you better health
& much prosperity for the
life & that which is to come

I am Dr Sir
very truly

Yours W. P.

Mean leave a discharge
with Miss W. P.
