Dear Father

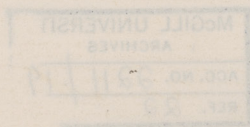

I have received  
letters from Perinne  
and John Adams  
stating that the  
letter has paid  
the balance of the  
price of the goods  
et. Please say to

time that I shall  
attend to having  
the deed prepared  
and sent as early  
as possible. The return  
for 12 days & which  
he refers is of  
no consequence.

I enclose a  
note to Prunier

authorizing him to  
debit the amt  
in Bank bills if  
no letter may appear  
either by mail or  
by you when you  
come.

I write to you two  
days ago and have  
nothing new to say

We all send our  
love to you  
and all friends

Yours affectionately  
W. Dawson
