

Letter P.W.S.  
30 July 1857

Mc Gill Ave  
July 30.

Dear Father,

Your guests

for Petrina arrived

today to-day. They

all appear very

and in good order.

A few chips of

furniture can easily

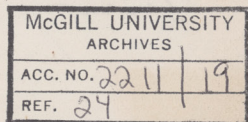

be repaired. The

hers alive and well.

We shall have  
them all taken  
care of and repaired  
where necessary before  
your arrival. I have  
heard nothing of  
the steamer from  
Dulce further  
than what I  
wrote I hope  
I have not been

devised in this,

If you should  
come by Boston I  
wish you to purchase  
for me about \$5 worth  
of bulbs of tulips,  
hyacinths, & other hardy  
flowers of such. They  
will not that time  
be in sale, and my  
garden requires them  
very much.

We are all well  
I have as usual  
enough to do. The  
preparations for the  
Ann. Spn., take  
up much time,  
and I shall be  
ruined till after  
it is over.

With love & regards  
and all friends, and  
hoping that your list is  
now numbering  
you affectionately  
W. D. Brown
