My Dear Uncle

I have just arrived and after having had a cup of Tea sit down to let you know how I get along after parting with you. The morning after I arrived in Boston I made some enquiries about vessels going to Pictou and found out that I had just missed getting to Pictou by the Lane who had just sailed from Portland the very morning after I had been to Portland Haven I made the best of it and took my Passage to Pictou by the Brig Ida. Cap. Munn

Mother. He told me she would
sail on Wednesday. Morning however
I found that I had to remain
in Boston waiting for her
leaving untill Thursday Evening
But I made the most of
it and ^{made} passed myself quite at
home. I spent one afternoon ^{at}
and Evening at the Museum
and another Evening I spent
at one of the Grand Promenade
Concerts at ~~the~~ Music Hall which
I enjoyed very much as the
Music was very Grand
The Music was also very
good at the Museum in the
Evening. altogether I spent the
time very pleasantly although it
made my Purse some the
heavier. But thanks to your
Party. I had Abundance

and have still a nice little
sum ~~at~~ remaining in my
Purse more than enough to supply
all my wants till I leave
Picton. but I forgot to tell
you of our Popoys home
we had a very fine run
of the Stricket of only three
days. but the Capt: had to put
in there as there was strong head
wind. he got out of there
but had to wait about the
gut for three days making the
Popoys seven days home.
I find I am here in time
enough as Mr. Stewart comes it
is expected to Murray by the Steamer
I found Mrs. M. Phail
ready to receive me with a
very cordial welcome and make
myself quite at home with her
