Dear Sir

The Package of
Books you speak of we kept
and paid Cart. for them.
As soon as we received them
we sent them up to Mr Pimron
to be forwarded to you and we
wrote you a letter at that
time telling you that we had
done so. You answered that
letter and said if the parcel
was not sent to keep it and
pay Cart. for them which we
did. We have already mentioned
to George Phillips & Co. that we
would credit them with Invoice
of 6th Sept which amounted to

To L-14. 3 we thought
that we had sent you that
invoice. We received the
short Books 4 days after
they left Dulles. The spelling
book is having a quick sale
but the other books we have
not sold a copy of yet. We
have opened an account with
you and given you credit for
the short books. Your name
for the news of the Church
will be sent home when we
will be sending our list in
December. We suppose you are
aware that an opposition
bookstore has been opened
in Pilton and not very far
from us either, the person
who has opened the book store
is Mr^r Jas Patterson in Mr^r
Patti store, as yet he has

has not affected our sales
whatever he may do by & by
We hope you are in good
health and like your new
remedies it is very likely that
I may pay you a visit next
summer.

We are

yours &c
