

Ch. Town
P. E. Island
Monday
15th of
July

My dear Sir

I intended in the Spring
or Summer to have given Victoria a
visit, but owing to the present
mode of conveyance, I prefer
making my trip in some other
direction — One thing which
would among others have been
a part of business in your Town,
would be the payment of my
acc — I send the enclosed,
as a mark of its payment,
I have got yours signed —
so that all things may appear
well — I trust my long
silence did not make you
in any way concerned —
I often intended writing
but Time failed me

and moreover these few weeks
^{past} I have not been so very well
I have been away from duty
for about three weeks, but
now I am fully recovered

Afflictions and Trials in
our present state will come
of course I know nothing of
them as yet, however I hope
I know this and above all
feel it, that it little matters
when it may please God
to take me hence, "All is
well" This is the state we
are all able to live in - and
it is my earnest wish that
I may realise it more fully -
It is a matter of little
moment to me whether
I am a member of the
Church of Scotland

or of any other denomination
— the grand question is
Am I Christ? And if
Christ then truly "All is well"

I have no doubt you have
given this subject some
attention — any remarks
upon the one grand essential
truth, would be most
acceptable — I trust
your household is presently
healthy, as I can testify
it is one of the greatest
blessings — previous to
this time I felt willing
to sacrifice all my time
to gaming. I would give
but now I am as willing
to sacrifice a few hours
for the benefit of health

In N. E. Island. All things
are presently going on
very smoothly - Business
is rather dull with many
kind regards to Miss Hannah
Be so good as to remember
me to Mr. Cootley when
you see him - I purpose
writing him soon

Waiting your reply - the
experience of one far
forward in the Christian
life - I am

My dear friend
Yours Sincerely
David Fullerton
