Dear Father

I arrived
here safely on
Thursday evening
and found all

you money into the
Bank, and told
you it a deposit

Receipt for
£ 2470, 13. 3 and
a Savings Bank Book
for £ 135. The
Premium on the
Bills was 9 Pct
which left the
Rate of Exchange
by being 3 1/2 per
cent. The Surplus

Wtd at the current
rate here 24/4 each.

I settled with
Sumborn about the
Acad geology, and
with Wilson paying
them balance as
per your ap of £3.3.4.
There was some
confusion between the
ops of the East Suez
& Sumborn, and I

Old the S.S. I send
in them as,

Your letter to
Margaret and
the children arrived
today. I hope ere
this you are again
as well as usual, and
do not think you
need fear travelling.

Excuse haste, as
I have only a few
minutes

Yours affectionately
William
