

Portland
Friday

Dear Father

I arrived
here safely early
this morning,
and found all
well at Mrs
Owens, as I hope
you are also. I
write these lines
hurrying to say
that our plan
is to leave on
Monday at 1 o'clock,
stop at Blair
Point and come
on to Montreal
on Friday. Should

one change this I
shall try to inform
you.

I have sent
by Rapid train to
day 4 boxes one
parcel and one
box specimens
from the Higgins
They should be in
town on Saturday
evening. ~~They~~
Notice will be
sent when they
arrive and by
giving the notice
when you receive
it with the enclosed
memorandum to
Cooper, he will
get the things out.
They should be

taken that to
Summit but to
the house

With sincere love
Yours truly

W. D. Brown
