

Dear Grandpapa
~~there~~ was a thaw
last week but the
ground is all covered
with snow and
~~there~~ was a shower
of sleet last night.
I give Anna a

ride in my little
green ~~sligh~~^{leigh} every
day I am out
or acoast down
some hill or
other. I am ~~building~~^{building}
a nice snow-castle
on the front of

the terrace in
the little green
plot ~~on~~ with
the little hoop
fence. Give my
love to
Marian and
Agnes.
