

Montreal 22 Nov 1861  
James Dawson Esquire,  
Chester,

Some one representing  
Mr Armand (a Traveller)  
Called on us some time ago  
relative to his Claim on  
Estate late New Ramsay, &  
we informed him there was  
no record of it on the Books,  
but it would be examined  
into, and if admitted, Mr  
Armand would be notified on  
the occasion of the next  
Dividend to send and draw  
his Dividend and previous  
dividends. We cannot say  
any more than this, as the  
Trustees will not meet to  
pass Accounts until they  
are prepared to pay another  
dividend. Yours truly  
Grenville M. Johnson
