My dear Sir

By the Lady Head I send you a parcel containing 15 copies of the Memoir of D^r Wolcott. Of these 12 are to meet your own order. Of the others please place two in the hands of some bookseller for sale, and the other please give to the Editor of the Montreal Witness, and ask him to notice, and also when he does to mention the place where it is on sale.

With kind remembrances to William and family

I remain

Sincerely Yours

George Patterson
