

TAYLOR BROTHERS' CIRCULAR.

(T. M. TAYLOR AND J. W. TAYLOR.)

Per "Anglo-Saxon."

MONTREAL, Thursday Noon.

July 12th, 1860.

ASHES.—There was, on July 1st, a decrease in the receipt of Pots, as compared with last year, of 519 barrels, and an increase of 293 barrels Pearls, The Stock on hand, however, as compared with last year, shows an increase of 661 barrels Pots, and a decrease of 247 barrels Pearls.

There has been better demand this week, and we quote Pots \$5.75 to \$5.85, with in some cases 10 to 15 cents more for inferiors, and Pearls \$5.90 to \$6.00.

FLOUR.—The steadiness of the English market is strongly felt in sustaining this; but in the absence of means of shipment, and of either a lower port or consumptive demand, prices have lowered slightly. No. 2 Superfine is worth \$5.15 to \$5.25; No. 1 \$5.30 to \$5.50, according to age and sample; Fancy \$5.80 to \$6.00; and Extra to Double \$6.40 to \$7.00. There is improved demand for the coarse grades, but the quotations are low. \$3.00 to \$4.00 for Middling and \$3.75 to \$4.25 for Fine. Sour Flour is plentiful. Sales No. 1 at \$5.00 to \$5.20; Sales of Superfine for August delivery at \$5.70.

GRAIN.—*Wheat.*—There have been no Sales of shipping parcels to our knowledge; small lots have changed hands at from \$1.24½ to \$1.26. *Peas.*—Sales at 72½ cents; a good lot would command more. *Barley.*—Nominal at 60 cents per 50 lb., and *Corn* at 60 cents per 56 lbs. *Oats* are procurable at 43 cents per 40 lbs.

PROVISIONS.—*Pork.*—The light stock and a better demand have affected prices. Mess has advanced to \$20.00 to \$20.50. Prime Mess \$13.50 to \$14.00, and Prime \$13.00 to \$13.50. *Beef.*—Asking prices for Tierces Prime Mess \$25.00, brls. \$12.00; small stock and but little enquiry. *Lard* unchanged. *Butter.*—Old offering at 9 cents; New in demand at 12 cents to 12½ cents if good. Hams and Shoulders have advanced 9 to 10 cents for the former, and 7 to 8 cents for the latter.

FREIGHTS.—No engagements to report. No sailing vessels offering. Previous engagements take up the steamers till that of the eighteenth August.

STOCKS.—**BANK OF MONTREAL.**—Still scarce, and in demand at 118½. **COMMERCIAL BANK.**—Sales at 110. **CITY BANK.**—Sales at 107½ to 108, and scarce. **BANK OF UPPER CANADA.**—Sales since dividend at 80½, 82½ and 83½, and now held at latter price. **LA BANQUE DU PEUPLE, MOLSON'S, ONTARIO, and BANK OF TORONTO.**—all asked for, but none offering. The latter changed hands to-day at 101.

In Mining, Railway, and other Shares nothing doing.

BONDS AND DEBENTURES.—Government Debentures, none in market. Con. M. L. Fund Debentures obtainable at par. Montreal Harbor, wanted. Montreal Water Works, sales at 101.

EXCHANGE.—Bank rate on London 110¼ to 110½; on New York par to 100½; very little doing in Private Bills.
