Dear Sir

We find ourselves still unable to get City Bank work for which 108 to 108½ is offered.

Bank of Upper Canada is readily sold at 3% advance, therefore we presume you would not think of taking it now.

The amount you need we might dispose of in \$1400 to \$1450 - now there is a balance of \$300 Commercial Bank which we can close at 10 to you - what would you think of taking that? - it would be \$1320 -

Yours faithfully  
Taylor Bros

J. Dawson Esq

Commercial Bank has been readily taken at 110.
