Mess^{rs} Francis Orr & Sons

Gentlemen,

I beg to introduce to you Mr
Chas S Stemp, a young man who served
his apprenticeship with our late firm of
H Dawson & Son, Rictou, and gave us
very much satisfaction.

With the help of his friends (who are
respectable) he is about to commence a
small business on his own account
in Toronto, & Seattle, and I have no
doubt but he will do well.

I have no objection to guarantee
for him to you to the extent of \$100.
Say one Hundred Pounds Sterling, reckon-
ing from the date of your first in-
voice, but providing that you give
me notice of claim within the
above time. I would not be so
particular, but I am getting old
and infirm, and do not wish
to leave any unsettled claims
when I die.
