James Dawson Esq  
Dear Sir

Mr. Clarence - now a partner in our business, visits Canada with a view to do something for wheat for the Mill and Flour for our market. If you can aid him anything with your advice or introduction we shall feel obliged.

Glover has made your suit of clothes and Clarence has charge of them. He could not get corded, but has sent nice black cloth and we hope all will fit.

We have will go on with the repairs soon. Sterns promises to 20 besides £12 Interest in June. He has rented the House + property and says after first 6 months the rents are to come to us for you. He expects Doctor Cooke will buy the property before long + enable him to pay you

Roderick McKenzie requests us to  
ask you the lowest price you will  
take for the small lot north of  
his store and behind McDonalds  
We told him you had \$50 down  
as the price but he said "you must  
ask what ~~is~~ his lowest price for  
money".

Yours Truly  
James Purvis Jr

Clarence has a small  
lot with specimen of  
Rock from Tanguin &  
small speck of gold picked  
up in a brook there - for
