Lecton 22 Oct. 1858

Dear Sir

I have this day shipped to your address, on board the Steamer Lady Head a Box containing Five Crocks of preserved Plums and one Bushel of early Potatoes and hope they will reach you safe and in good condition. I am sorry to say that we never received Bills from Halifax, if we had, they would have been sent at the proper time. The Potatoes are of two kinds and you will observe a division in the Box to keep them apart. Enclosed is a Bill of the ~~an~~ whole amounting to 22/3 a copy of which I shall have receipted to Mr. Crammer when our

transactions, will be finally closed,
which must be between this end
New Year. You are aware that
at this particular season we scrape up
all that we can, to lay up some stock
for Winter, of course I am quite bare
of Cash at this very day for Mrs
Wephal went to Halifax yesterday
and made a clean sweep, but we
are always getting in a little, and the
Amount between us is now not very
large, I beg leave to tender you
my thanks for your kindness, and
forbearance during the time I have
had the good fortune to have you
for my Landlord and I shall never
retain a grateful recollection of that
period.

I have nothing particular to com-
municate from this place Hugh
H Pop Esq of West River died

rather suddenly last Sunday
night. You requested me in your
last to mention what place this new
Cemetery was, which you saw adver-
tised in the Chronicle. It is that
piece of ground adjoining Dickson's
Mill stream. It has been talked of
as a Cemetery for some time past.
It is now sold in 50 shares to
different parties who are about to or-
ganize themselves as a Cemetery Com-
pany. It has been used for a year
or two as a place of burial.

Please give my compliments
to Dr Dawson and his Lady

I remain
Dear Sir,
Very Respectfully
