

Factor 1th Aug
Mr Dawson

Dear Sir

The strawberries have
been shipped today I hope
they will reach Montreal
in good condition.

Tell Mrs Dawson that
I allowed weight for we-
ight of sugar which you
will see makes a great
difference in quantity of
sugar than if found for
joint had been allowed.
I mention this in order
that Mrs Dawson may
add the additional
quantity if she think
they will not keep.

I shall attend to the
plums.

Remember me to Mr
and Mrs Dawson

I am yours
faithfully
J. M. McPhail
