Dear Sir

We are in receipt of your note regarding the Acadian Geology and are sorry that we are unable to report any sales since last balance. There does not appear to be any demand for the Book in this Country and we do not think that even were it to be considerably reduced in price, we would be successful in disposing of them. — We

regret therefore that we are
unable to make you any
offer for the remainder of the
stock still in our hands

We remain

Dear Sir

Yours faithfully
