Dear Sois

just as we are passing a Post Office, we can't wait because of the fine wind behind us.

We got a great send off yesterday away down on the wharf about Maisonneuve. Most of the Peck and Amstos families took part in the cheering. We got away at about 10 o'clock.

We went about 13 miles before lunch and camped in the evening at Savaltrie (about 30 mls)

We made Sorel at about 11 A.M. (46 mls.)

We've had a fine wind behind us and sailed with the tick of a mattress.

We expect to make Three Rivers in time for the mail tomorrow.

Yrs truly  
E. W.
