

295, University Street,

Montreal.

Friday. July 8th/10-

My Dear Edward -

I am so distressed then
that you have been ill - Oh how
dear how horrid & lonely it
must have been for you - are
you sure that you are quite
well again? - My strict orders
are for you to be very careful
of yourself -

I certainly did wonder
why you did not write, but
then that feeling is not
entirely new to me - You
are a bad old thing!! -!

2. who
You know people ^{who} never
write actual letters, have
^{sometimes} time & just to write and say
that they have no time to
write - (This sounds some-
what mixed but cheer up).

I wondered very often why
you did not write, but then
you see I had absolutely
nothing else to do - I am
simply desperately lonely
here there is absolutely
nothing to do or nobody
to see, you can roam
the streets for hours &
never meet a soul you
know - Eva went to

Melis about a week ago, and
is having a gorgeous time.
I was going down on the 10th!
but mother does not seem
to want to let me go, it does
seem rather mean of me to
go and leave her - still.
It is pretty hard to stick
~~put~~ up here for no particular
reason when the others are
all having such a gorgeous
time at Melis - It has
been fairly warm right
along, I think it has
reached the 80 mark
every day for the last
3 weeks -

4.

I went out to Point Claire with
mother on Wednesday to
Stirling's - Olive was there
is looking very well -
their house and garden are
just the prettiest things -

One night mother Owen &
I, went over to Parc La Fontaine
a huge park in the East end
It was just like being in
Gay Paris - They have a
huge serpentine, which every-
body rows upon, then they
have a large wading pool,
beau tiful rest ^{auroras} ~~stands~~ etc etc
I tried my best to get mother
& Owen to come for a row -

will give you
the name of
some splendid
stuff - that
Con. had.

Please write
to me soon
because I'm
being lonely
and I will
mud. love
to you

but two more stimulate people
I never met - they said they
would not - however they did
consent to have ice cream
which was some consolation.

I am so glad that you
are going to have an
"Aviation MEET" - you will
just love it - I had a
wonderful dream last night
I dreamt pt Brookers took
me out flying, the sensations
were just great, do so if
you get the chance -

I don't think I told you
 that I went out to see the
 flying a second time - we
 had rather an excitement,
 Court de Lessops was doing
 fancy stunts in front of the
 grand stand - suddenly
 he took a turn and came
 swooping right over the stand
 as he did so, he threw
 large bunches of carnations
 on lots of the people, th!
 dear! there was such a
 scramble for them - I got
 one lovely carnation but
 had a hard time to get it.

Isn't it funny August 5th -
 the date that you think you
 will choose for your holiday
 is exactly the same time
~~that~~ that Owen has - It is
 very nice in a way that
 you will be there together,
 and yet rather aggravating.

However it will be perfect
 peacheiros peach to see
 you again - I have
 every minute of every day
 to think about you^{now}, and
 it nearly drives me to
 a state of desperation,
 because I can't have
~~to~~ you to talk to - It

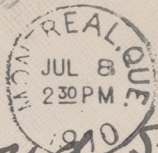

8.

would be such a nice nice
way of filling in these
days in town — Don't you
think you could just run
down and have dinner with
us some day — I will have
rice pudding for you if you're
con — Has Mrs W. gone
to meet yet? —

Agnes Stewart is coming up
this afternoon to spend the rest
of the day here. The poor girl is
left in a flat all by herself, I
feel so sorry for her. Dr. Canham
is also coming up to tea — I have
not seen so many people for about
2 weeks —

Please get better quickly, and if
you have a cough, tell me and I
will give you

Lying
over a long time
