

Thursday.

Dearest Edward.

We have just had  
the dreadfully sad news,  
that Poor Dear Ruth's,  
darling baby has just died,

It all seems so sad -  
we just feel absolutely  
heart broken about it -  
(I think our family certainly  
has its share in hard luck)

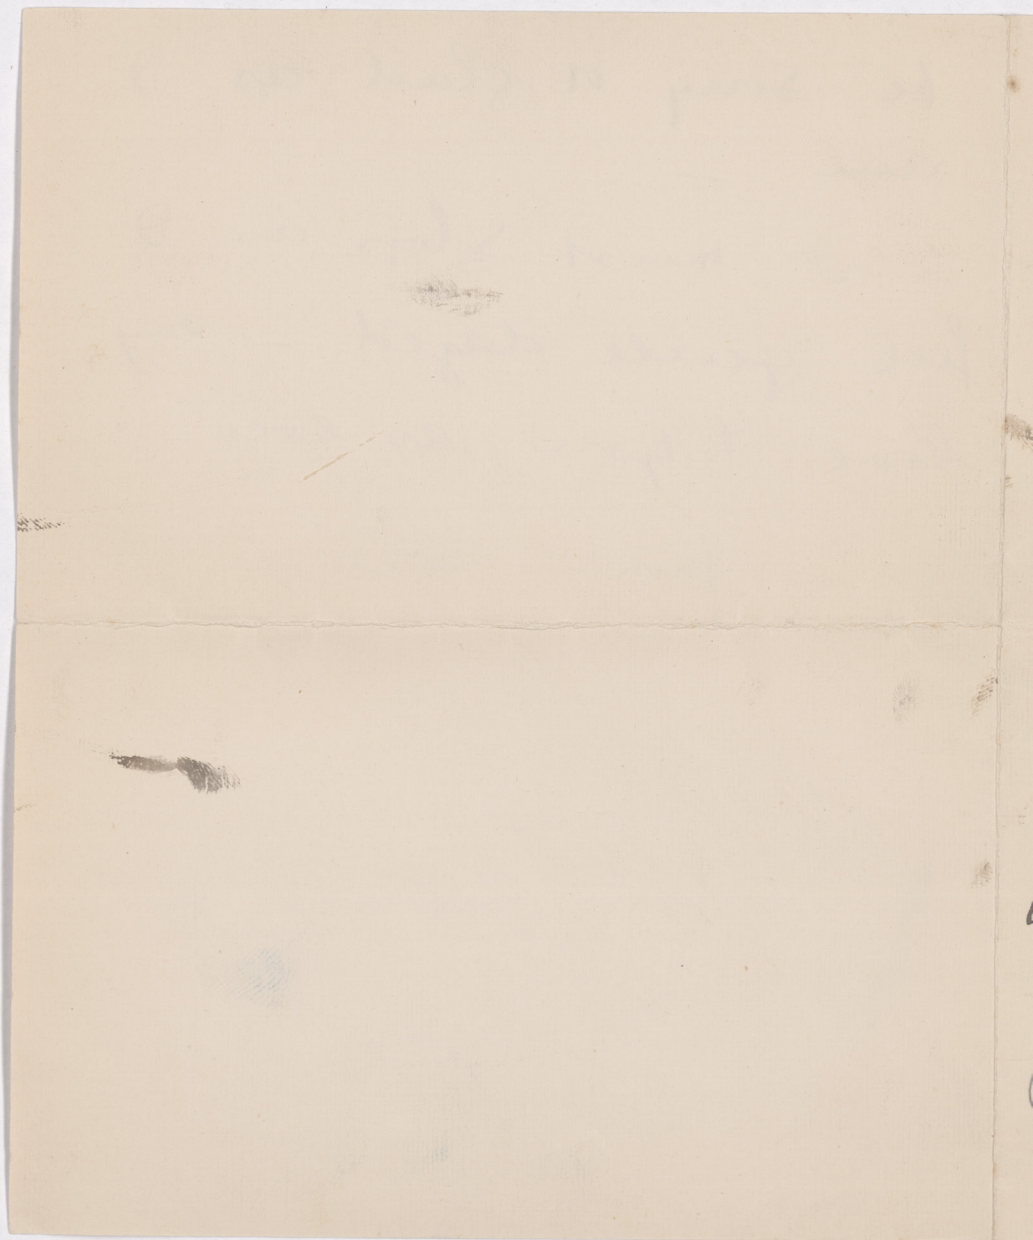

Now mother, I'm so  
glad that she is with  
Ruth anyway. [In Winoipeg]

Well it is a shame  
to bother you with our  
troubles - but I had to  
tell you dear. I always  
specially think of you,  
when saddest & most  
joyous things happen  
because I know that  
you love me and will

be sorry or glad as I  
am -

I must stop as I  
feel quite dazed - my  
love to you as ever -

Yours  
Lois -
