My Dearest Edward.

What do you think?  
Mother had a letter  
from Aunt Florence,  
this morning, asking  
if you & I were engaged  
that she had heard from  
somebody that it had  
been announced!!!!

People make me  
boil, and Aunt F.

more than <sup>2</sup> most of them!  
What say you? However  
I hope that mother will  
be able to satisfy her  
with absolutely no *infringement*  
on the subject —

I have nearly got 3  
of my cups painted, and  
they look quite nice.

Mother has given me  
a dear little trunk to  
use for a "bottom drawer."  
I hope that by the  
time you come back.

I will have in it, <sup>3.</sup> some  
charming things to show  
you.

I am dying for a  
letter from you. I  
hope the postman  
is kind to me this  
afternoon. —

Well this was  
just a line to tell  
you that some  
kind person had  
announced me

engagement for us.  
I sincerely hope  
they chose! that is  
rather a dreadful thing  
to wish anybody; but  
I am not annoyed.

With love to you

from

Lois J.
