My dearest Lois,

Each evening I have been expecting to be home and each evening I have been put off. I do not see how I can fail to be home tomorrow but will drop you a line in case of further delays. If I had not expected to beat my letter home I should have written before.

I hope you have been having a nice week and that your picture is going to be nearly nice enough.

I have forgotten to look after getting a ticket for the dance. If it is impossible for Owen or one of the boys to get me one in the ordinary way will you get Owen to ring up

Walter Nelson and say I asked if he could make a special point of getting me for me and I will get square with him on Saturday.

The time has not seemed so long for me as usual this week because I have been so busy, but it will be wonderful to get back and see you again.

Darling, I am sorry this is so short but Mr Gilman is up at the works today and I want to have as long a time as possible with him.

With all my love dearest

Yours,

Edward S. W.

if I had a pen and ink  
 I could make a special  
 copy of the book for you  
 and send it to you  
 I am sure you would  
 be very glad to receive  
 it. I will be glad to  
 do so if you wish.
