My dear Edw -

1912 before
marriage

We have just received
your letter about the
furniture. It sounds
very well indeed -

About the dining-room.
Your uncle Harry Pearson
is going to give you a
beautiful round, rosewood

table, about five feet
across, which will go
well with mahogany
& I have asked Aunt
Charlotte to look for a
side board & some chairs

to match - I was not
able to get a side board
made out of my leaves.

Aunt Charlotte is going
to give you \$50⁰⁰ which
is very sweet of her -
Perhaps she may see some -

thing that she likes + send it
to you instead, but that is what
she said to me. We are all en-
joying Lois' visit. The boys are
very fond of her + we are only
sorry that she cannot stay
the whole summer.

I have spoken to Annie + Bridget
about a maid for you + I daresay
they may be able to find you
one. I always believe in paying
good wages. It places you at a
disadvantage if you do not.
Naomi + Hugh + I came to
Winnipeg for a few days to show
Hugh the town + to go to the
Duke's garden party. We go back
to Kewatin today. Your father
got on most beautifully write
