My dear Mother & Dad

I am glad to have Mothers recent letter enclosing copy of one from Hugh. I can't help judging from the tone of his letters that he is doing first rate and as usual is getting on first rate with his companions. Certainly our Canadian life and experiences must be a good ground work for a soldier.

You will be interested to hear that I have been appointed "Manager, Munitions Department," in charge of any shell or gun work that we may take on. My salary has also been made ample for our present needs so that I will be able to work along without worrying about expenses. Our shell business is expected to be 3 or 4 times our usual business so that I should have a good change and a good experience at organizing new work.

I will forward the copy of Hugh's letter to Ken. Ken looked quite well to me and seemed happy.

With love

Your affect son

Edward S. Winslow
