My darling Edward -

Perhaps you will be glad to hear that my term of office in the Kitchen, to help out our financial distress, has come to an end - I advertised yesterday & think I have got a very ~~for~~ nice person not a wonderful cook, but looks so healthy & clean & pleasant & respectable -

It seems rather wonderful not to have to scramble up

+ get breakfast. All
that's missing now is you
you miserable old "Fat
head"

This was your littlest
daughter's birthday today,
dear little Ruth three
years old. She was simply
thrilled with a cake with
three candles - a 25-cent
with three coppers in it, +
a tiny little wooden stable
with stalls which had little
wooden animals to go in it.

It does not take ³ much to make a child happy does it? — —

Had a very relaxing but apparently successful top party yesterday entertaining —

Mrs Speeranga — Mrs C. B. Brown — friend

Mrs D. Brierford — Mrs Carter — Mrs D. Wells — Mrs D. Wells

Mrs Ropley — + Some of my

son in triale friends —

am I am enclail several news paper articles which you

may be interested in - I
thought Beatty's speech very
good - Please keep the
clipping about Uncle Wm.

Aunt Florence has invited
Alice to pay her a visit, on
Monday - Uncle Wm is to come
down tomorrow + would take
her back with him - She
has been with Eva all week
& now if she has a week in
Ottawa - it should be very
good for her. It is good
for her to be quiet -

I don't suppose that it
will be worth my while

writing to you again - So
I may say that I have
one or two nice things to
tell you when you come
back - to speed you on.

I believe that I have
caught up with my expenses
at last so that I feel as
if my 'little effort' had
been worth while & you
can enjoy your Xmas
better -

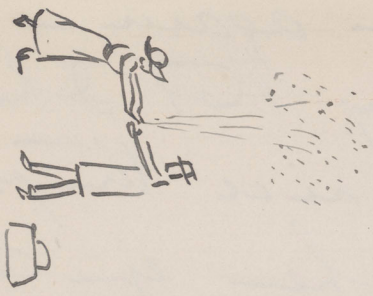

Be sure & let me
know just when you arrive

+ where + how etc. as I
really think I will have
to come to the station - I
hope that you are looking
fat + well - so that I
can pinch your cheeks
& give you a jolly good
hug - I don't know whether
I will kiss you or not!!
what do you think? -

I wonder if the next few
days will ever pass!!

I must run now my
dearest peach - I hope

What you are looking forward
to see of your poetry - :-
With much love
