

Thinking of you ^{sent by}
^{L.W.S. when I was}
^{was overseas,}
^(not original)

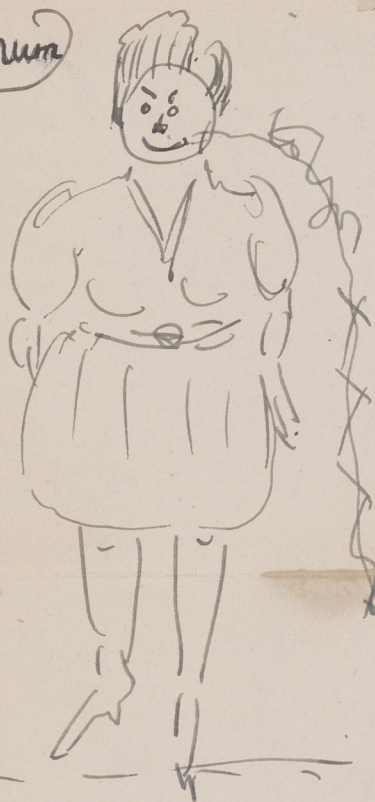

Thinking of you with an
ache in my heart - Wondering where
you are now . . . Striving to smile,
and to play my small part -
Living alone - Somehow.

Thinking of you - and the things
that we planned. The castles we built
in the blue! . . . The schemes that we
made when the future looked bright.
~~The dreams that just didn't come true.~~

Trying my best not to sigh or complain -
But when the night comes at last -
Going to - meet - you - down Memory
Lane . . . Sweet are the thoughts
of the past!

Thinking of you - far there, far
away. Wondering why it must be . . .
Looking ahead to the joy of that Day
when you will come back to me
