"OLD BURNSIDE"

ALMONTE, ONT.

Christmas Morning  
1949

My dearest Lois

I wish you all  
the Best Things that  
Life has to offer

A Merry Christmas  
and a Happy New Year.

I hope that the  
enclosed little gift  
will not be put into  
the general pot but  
will be used to get  
yourself or to help

in getting yourself  
something you want  
but something you  
might otherwise think  
too expensive.

I hope whatever  
you get will bring you  
joy and a happy  
recollection of this, our  
First Christmas together  
at "Old Burnside"

Always your affectionate  
Husband
