

Dear M. A.

1969

Thank you very much for the Annual Report which I find very interesting - I am pleased to note that my recent contributions are considered ~~as~~ worth while and I <sup>of course</sup> feel very happy to know that I am being of some little service to the Club in a small way.

If you will be interested to hear that since I came to Alnwick I have gone thro' a large <sup>map</sup> basket of letters, I ~~think~~ <sup>thought</sup> that I may have <sup>some</sup> my G. M.'s. but on sorting them, I have found many to have been written by my G. P. to his son George - ~~this is the largest no of his letters I have come across -~~ ~~to me~~ I am looking forward to reading them.

In your report, paragraph marked  
"Accessions" - you speak of  
the "George Newton Dawson  
Papers" - Should this be "George  
Meritt Dawson Papers"? or was  
there a "George Newton D.?"

I hope that you are having  
a pleasant rest far away from  
work problems - In spite of  
the heat Almonte has been  
very pleasant and the countryside  
has never looked more lovely.

With sincere good wishes

LWS
