

Dear Mr. A.

I have received both  
your Archimedes Fact Sheet,  
with <sup>your</sup> Gill's Tomb &  
your letter from the  
Lawson to do with  
my father - Thank <sup>both</sup>  
you very much for ~~them~~  
It was most kind of you  
to send them ~~at all~~ to me,  
and I was most interested  
in <sup>both of</sup> them -

I am still in Alberta  
but hope to get to Montreal

~~perhaps a little earlier~~  
~~this year - possibly out~~  
~~bet 15<sup>th</sup> -~~ I have  
continued to work on my  
mother's letters - which  
has turned out to be a

long job - but with ~~any~~  
~~but~~ <sup>continuing</sup> perseverance

I hope

I may possibly complete  
them <sup>typing of them</sup> before my return.  
to Montreal

I will cast ~~to~~ let you  
know in any case when I  
am settled at 2 Parkside Place  
when we could arrange for  
a meeting to discuss what I have  
worked on this summer <sup>of other things</sup>  
I hope that you had a pleasant  
holiday regard rest. With my best wishes  
Sincerely,
