

Dear Mr. Andreassen

Feb 6th / 72

In connection with the journals & papers of G. M. Dawson which have been stored since 1917 in the McGill Redpath Library, and which we were speaking of on your visit the other day — It seems to me that now is the time to make a gift of these to McGill; I am sure that this is what my sister Miss Hawington, who cared for them for so long would wish, and especially, as the Archives are now situated in the Mc Lennan library where such material will have ~~such~~ excellent & safe keeping — I therefore ask you to accept of them for the University? ~~feel that this is the appropriate time to give them in my sister's name to the University~~ — It will be wonderful if they can be made more easily accessible to those doing research work —

Yours very truly

L. W. S.
