Dear Mrs. Winslow-Spragge:

Recently Mr. John Andreassen has let me know that you have presented the papers of Dr. G. M. Dawson which had been previously on deposit with the McLennan Library as a gift to the University in the name of your sister, Miss Harrington. These are papers of great value for historic research.

I am very happy that you have resolved this question which has been of long-standing duration. I express my warmest thanks to you for your continuing interest in the University.

All best wishes.

Yours sincerely,

6 March 1972

Dear Mrs. Winslow-Spragge:

I write to tell you that I go into hospital on 13 March and that between now and then it will be impossible for me to complete the various things that must be done to effect the copying and return of the items you have loaned us for that purpose. I'll do my best to accomplish the tasks involved during April.

Mr. Keith Crouch, Director of Libraries, has, I understand, acknowledged your letter to me of 6 February 1972, relating to the George Mercer Dawson materials deposited in 1917-1918.

Guides, some nine or ten of them, to the Official Papers of Sir William Dawson, should be back from the binder while I am absent from the office, and I've asked the Assistant Archivist, Miss Sandra Guillaume to forward copies to you on their arrival here.

Most cordially yours,

John Andreassen  
University Archivist
