7 February 1977

Dear Mrs. Winslow-Spragge:

Thank you for the 7 clippings and your note about the B.J. Harrington Grandsons. We have assigned the accession no. 2337 to the news clippings. We will try to locate the copy of "Life is a Bubble on the Sea" and we have made note of your comment on the office copy of the Worthington Papers Guide of the spelling of "Farwell".

I can assure you that in spite of the long siege of weather I enjoyed very much getting away from the desk for the tour to the Old Physics Building and to the Main Library and the opening of the computerized index to the Dawson papers. It was good of you to come.

Sincerely,

John Andreassen
University Archivist
