My own dear Poppie,

I was so glad to  
get your nice letter and  
to hear about what you  
are doing at Inetis.

Your nasturtiums in  
the little pot which  
you left with me have  
grown wonderfully and  
are now 3 or 4 inches  
high. I water them every  
day and am going to  
put them into the garden  
soon.

I am glad to hear  
that the plants are  
growing well at Inetis

and wish you would  
ask Bernard to write  
and let me know  
whether any of the  
new rose-bushes are  
alive.

The Highlanders were  
out for church parade  
to-day and looked  
very fine. I saw them  
on Sherbrooke Street  
and wished that you  
were with me to see  
them too. There were  
dozens of little boys  
dancing in front of the  
band and feeling as  
if they were big soldiers.

I hope that you have been a  
very good boy and that you  
make mother and sister Jane  
very happy. Y<sup>r</sup> son Henry Todd
