

Dearest Ruth -

I already miss
your loving offers of help
& even your cutting off
of all those corners, dear
child - if you repent of
much of your sins, as
I do of every harsh word
or unjust judgment toward
you, I think we will
both be better when we
meet again - I was very
sorry that you forgot to
say good bye to Eric. I
miss all of you, for I
think he felt badly about
it - please write him notes
& apologies, so that he may

Ruth

not have it - in his heart
as a neglect.

God bless you all
dears, pray to him constantly
to guide & help - if you
call on Jesus as often as
you used to say "mother"
at-home you will surely
not go far wrong - I do
woud-be impatient over
it - either - but answer
you every time.

You must all pray
for me too dears for I will
feel very lonely & am
wille no one to consult
about - Eric - I he well
woud so much care that
I cd not well give him
when you were all here -
Sincerely Mother
