My dear Sir

I shall ask the Council or
some one as I land at Halifax
tomorrow in the Steam to send you
a few copies of your paper & a
Nova Scotia what has been
printed in our new Journal of
the Geol. Socy of London, ^{publ'd by Longman,} price
4^s. per quarter to persons not members
12 a year to members. I am recom-
mend you to take in this new pe-
riodical as pretty you in possession
of all the recent done in Geol.

to England with frequent notices
of continental proceedings
I have put in copies of most of
your papers in a parcel for
Mr Brown & of this in your
parcel. I kept all 2 or 3 of
your any of which I will give
to any one you wish in Boston
or if I do not hear from you at
the Post Office there, any
time before Dec^r. 1. I shall con-
clude that I may give them
to some deserving persons.

I have given 2 or 3 chapters

on Nova Scotia in my recently pub-
lished "Travels in N. America -"

I intend to make a tour from
Dec^r to June May in the Southern
States in the Union & to return to
London in June next - I am sorry
I cannot revisit Nova Scotia -

Pray remember me to all my friends
here. Our wife rocks so that I
must conclude - Her dearest girls in
kind remembrance to you both & mother
I believe very happy
